Pressure Temperature Level Flow

STANDARD TERMS AND CONDITIONS

1. Prices: Ex-Works – Lenexa, KS USA (factory)
2. Delivery: 3 weeks after receipt of purchase order.
3. Inspection: The items quoted may be inspected at no charge. However, the following conditions apply:
 - a) All related costs of the inspector shall be borne by the customer.
 - b) The inspector may observe the SOR manufacturing facility, final production, final calibration, and packing procedures. Should any tests (other than our normal calibration tests) be required, a charge of \$250.00 USD per person, per day, per order will apply. Additional charges will also apply to each switch, depending on the type of tests performed.
 - c) The customer is responsible for appointing an inspector and shall inform SOR of the inspector, as well as telephone or fax number.
4. Validity: 30 days.
5. Payment Terms: Net 30 days
6. Warranty:

Mechanical pressure, DP, temperature switches, analog transmitters, electronic level switches and transmitters: 3 years from the date of shipment. SOR form 1052 (04.01)
7. Cancellation Charges:
 - a) 0% after order entry and prior to any engineering work.
 - b) 10% after engineering work and vendor data submittals, but prior to manufacturing equipment.
 - c) 10-60% after release to manufacture, depending on completion of work.
8. All taxes, duties and insurance to be paid by buyer.
9. Late delivery and penalty, SOR does not agree to any penalty charges for late shipments.
